

## **Praise and Prayer Update - Kilwa and Nicole Anderson**

Aug 11, 2008

Brothers and sisters,

My wife, Nicole and I are eventually coming over to the US in October - November this year. We wish to visit the churches and individuals who supported us as missionaries while working in Cape Town doing church planting and leadership development. We want to thank you for your prayers and support and report on what the Lord is doing here in Johannesburg, South Africa. I am available to preach if you desire. The dates we are available are: 26 October, 2 + 9 November

Please let me know what date and or service suits you. We are also available to meet with pastors or missions committees anytime between 23 October - 10 November. Please pray that the Lord works everything out to connect with churches, pastors and saints.

The work the Lord has us serving in is challenging to say the least. An elder resigned in a negative way and left the church. The secretary of the deacons has just done the same thing. A group of people in the church wish the elders to resign. There are a host of other issues. The way to pray is:

- 1) For the elders to become more and more unified as they are united on doctrine and the centrality of preaching Christ crucified as a philosophy of ministry.
- 2) For the unity of the church to develop.
- 3) For the whole church to become more focused on worshipping God and becoming a discipling community.
- 4) For a Mt 18 situation that has developed. The church in its 38-year history has never implemented Mt 18 so this will be the first time.
- 5) There is a kindergarten that is connected to the school. The relationship between these two is strained so please pray for those relationships and issues to be sorted out. This will be a long process. Pray that the elders will see the need to be involved in overseeing the kindergarten.

Those are some of the main things that come to mind brother. We trust the Spirit to use His word and transform the lives of the people.

In Christ,  
Kilwa and Nicole Anderson
