- Never, since the Mission was founded, have we seen economic times as tough as they are right now, especially with nearly 100% increase in the number of people coming to us for help! We pray that the Lord will provide the funds we need so we can continue to help all who come to us in need.
- Pray that the Bridge to Life center project will continue to completion with out further delays.
- Pray for unity and wisdom among the entire staff and volunteers at Mission Solano.
- Pray that those who come to Mission Solano in need will come to find a new life in Christ Jesus.
