I am happy to greet you, dear brothers and sisters,

First of all I would like to write to you of a joy. Six people from our church followed God in baptism. The baptism service took place in the open air on a lake. Our daughter Tanya also followed God in baptism. Her baptism is great joy for our family. Six of our children have followed God in baptism. Praise the Lord. We rejoice for our children. Tanya is on a photo surrounded by her sisters.

Praise the Lord for His long patience to every person. We preached the Gospel to Alexandr for a long time, but he didn't want to listen to the Gospel. Alexandr had a stroke and there was no chance for him to survive, according to doctors. God was merciful to him and had another plan for his life. He was confined to bed and I visited him. Alexandr repented and followed God in baptism in August. Alexandr rejoices now in the Lord and his health is gradually restored. He was confined to bed after the stroke, but now he can lace his shoes.

I am so happy to serve brothers and sisters in our area. You would see on the photo myself with brothers and sisters from churches Textin and Bukhov. It is a blessing to bring brothers and sisters encouragement in different areas in our Belarus.

We worked hard to prepare territory for our summer camp. You can see brothers and sisters along with volunteers worked to prepare territory before the camp. Praise the Lord, He encourages hearts of brothers and sisters to serve Him.

I thank and praise the Lord for two camps. We had one camp for children and one for teenagers and more than 60 children were at the camps. The half of the children were from unchristian homes. We had orphan children and children from single parent families. The majority of the children have never known a father's love. Being fatherless is a great problem in our country. Our program was focused to know the children of their heavenly Father and that they are not lonely. We focused on the truth that He would never leave them alone.

Brothers and sisters from our Sunday school made a program named, "Festival every day". The program showed love of our Father and His begotten Son. We didn't invite children to come forward and repent of their sins, but the Holy Spirit worked in their hearts. A leader from a group told me about a girl and her repentance. The girl prayed with prayer of repentance at the meeting. And three girls repented in their prayers before the Lord at the end of the camp. Praise the Lord!!!

I was blessed to take part in a youth congress. After the youth congress I visited churches in Krugloe and many other places around the whole Belarus. It was a blessing to spend time with brothers and sisters and joy from our fellowships covered all expanses. I baptized a young man named Vlad. He is from an unchristian family. (His mother is in a blue dress near Vlad) She hasn't prayed a prayer of repentance. She allowed Vlad to attend Sunday school and as result of that, Vlad followed Christ in baptism. We pray for her repentance.

I am very thankful to God and you for your help and prayers. We are one family in Christ and it is precious for me to know that.

With love and gratitude, Sergey Gormash
